# Scholarship Application

## 2021/2022

The Manitoba Foundation for Sports scholarship program administered by Sport Manitoba was established in 1992 to support young athletes of Sport Manitoba partners, who continue to participate in amateur sport while pursuing a post-secondary education on a full-time basis. The Foundation has since awarded 2000 scholarships totaling \$853,917. Scholarships are awarded to graduating high school students entering a post-secondary institution and to students in their second or subsequent year in a post-secondary institution.

The scholarship program's emphasis is placed on athletes who have competed at the provincial level or higher and who have maintained a high level of academic standing, while showing a commitment to amateur sport and their community through their involvement in coaching, officiating and volunteer activities. Preference will be given to athletes attending university or college in Manitoba and enrolled in a related field, pursuing a career in sport. The number and the amount of scholarships awarded annually will vary (up to a maximum of \$1000), based on the number of applicants and the funds available for distribution.

### **Eligibility:**
